READ—

Government Order No. L. 7567-82—Sany. 55-21-1, dated 26th June 1922 abolishing, as a measure of retrenchment, the separate post of Sanitary Commissioner and appointing the Senior Surgeon as *ex-officio* Sanitary Commissioner.

2. Government Order No. G. 7223-34—Sany. 3-26-6, dated 7th January 1927 and No. 3740-1—C. B. 238-26-1, dated 1st June 1927 sanctioning the appointment of a Deputy Sanitary Commissioner on a pay of Rs. 700-50-800 to assist the *ex-officio* Sanitary Commissioner.

ORDER NO. 3696-3718—C. B. 135-28-2, DATED 18TH FEBRUARY 1929.

The abolition of the appointment of a whole-time Sanitary Commissioner was ordered in the year 1922 as a measure of retrenchment. Experience has shown however that the work of this vital and growing Department cannot receive adequate supervision from an *ex-officio* Head of Department who, besides exercising administrative control over medical institutions all over the State, is also the Inspector-General of Prisons. Government are therefore pleased to sanction the revival of the appointment of a whole-time Sanitary Commissioner, with effect from 1st February 1929.

2. The pay of the new post of Sanitary Commissioner will be fixed at Rs. 800—50—1000. Dr. J. V. Karve, Deputy Sanitary Commissioner, is appointed Sanitary Commissioner from 1st February 1929, the date from which he has been placed in charge of the office, and his starting pay will be fixed at Rs. 850 in the grade Rs. 800—50—1000.

2. The Post of Deputy Sanitary Commissioner is abolished from the 1st February 1929. The Sanitary Commissioner is requested to suggest a re-appropriation for meeting the extra cost involved during the current year.

R. RANGA RAO,
General Secretary to Government.
